

Special Education Funding for Every School District in Maine

Comparison:

Immediate Full Funding (Allen plan) vs Gradual Full Funding (Collins plan)

- Amendment by Rep. Tom Allen to House version of the Elementary and Secondary Education Authorization Act (H.R. 1), would provide full funding for special education (achieving the federal government's 40 percent commitment) in FY2002 and every year thereafter. Provides \$26 billion more than the gradual funding plan over next five years by assuming a 1.9 percent cut in the tax cut from \$1.35 trillion to \$1.324 trillion.

- Amendment by Sen. Susan Collins to Senate version of the Elementary and Secondary Education Authorization Act (S. 1), would gradually increase funding for special education over six years, not reaching the federal government's 40 percent commitment until FY2007. Provides \$69 billion, or 27 percent less than the \$95 billion needed for immediate full funding over five years, and assumes no reduction in the \$1.35 trillion tax cut.
